

## **COUNTY COURT NO. 8**

Announcement and General Docket Unfiled settings can be reset over email [cc8reset@traviscountytx.gov](mailto:cc8reset@traviscountytx.gov).

Once a case is filed and set on the Pretrial Conference docket, attorneys need to appear in court to obtain a reset date.

Defendants are required to make an appearance in court once the case gets to a PTRC-3 setting and on all contested docket settings (ie: PTRW/TBCW/JTR/APR, etc.).
